## Service User charter

Primecare Health Ltd exists to provide the best possible support and education for people of all ages with autism throughout Scotland.

We believe people with autism have the right to:

- Live independently
- Representation and involvement as far as possible in decisions affecting their future
- Accessible and appropriate education, house, assistance and support service and to a sufficient income.
- Freedom from fear, threat and from abusive treatment (from the European Parliament Written Declaration on the Rights of People with Autism)

## Glossary of terms

**Autism** – Is a neurological developmental condition that impacts on an individual's social communication, social interaction and social imagination and flexible thinking. Individuals on the spectrum are also likely to have sensory and information processing difficulties that can range from subtle to complex. Every individual's experience of autism is diverse and unique and our support plans reflect this through our personalised approach.

The autism spectrum encompasses individuals across the cognitive ability range. In other words, a person may be on the autism spectrum and have a learning disability or may be of average to sometimes, high intelligence

**Autism Practitioner** - This refers to a person who works for Primecare Health Ltd and who will provide support to you. Autism Practitioners are key workers.

**Support Worker** - This refers to a person who works for Primecare Health Ltd. This person will provide support to you but will not have any key worker duties.

**Carer** – A carer is someone who, without payment, provides help and support to a partner, child, relative, friend or neighbour, who could not manage without their help.

**Key Worker** – This is the person who will take the lead in providing support for you. While you may work with other members of staff your Key Worker is responsible for co-ordinating, evaluating and reviewing the support that is provided.

**Service User** – This term refers to you. We use this term to refer to a person who receives a service from Primecare Health Ltd.

**Guardianship** – A guardianship order is a court appointment which authorises a person to take action or make decisions on behalf of an adult with incapacity. A guardianship order can be in relation to property and financial matters, personal welfare, or a combination of these. Guardianship is likely to be more suitable where the adult has long-term needs in relation to these matters. The standard term for a guardianship appointment is 3 years, although the Sheriff has the discretion to make the appointment for a longer or shorter period. Further information is available at [www.publicguardian-scotland.gov.uk](http://www.publicguardian-scotland.gov.uk)

## Providing feedback to support staff and managers

While accessing the service we hope that you will benefit from the support that the service provides. However, there may be some things about the service that you want to change or do differently. It is important that you tell staff what you like and do not like about the service so that we can adapt the support provided to you. It may be difficult for practitioners to know what you like and do not like about the service because they do not always know what you are thinking.

You can tell us by:

- Telling a practitioner using the communication style that is best for you (Verbally, using facial expression, signs and symbols, or gesture, etc)
- Asking someone else to feedback for you (parent, carer, or advocate)
- Raising concerns at a review meeting
- Telling the manager at the service audit
- Completing the 6 monthly service questionnaire.

## Making a complaint

If you are unhappy about an aspect of your Service we want to know as soon as possible so we can try and put things right. All complaints will be investigated fully and fairly. The complaints procedure enables Primecare Health Ltd to respond clearly and properly to complaints and to know when and why people are not satisfied with its service.

There are steps you need to follow when making a complaint:
