1	Israh may abscond when staff open her car door. The back doors of her car can only be opened from the outside so she has to wait for somebody to do it. When being in a car park of Tesco or Meadowbank she may run away from the car to call staff attention. Israh has little road sense and is very vulnerable.	2	3	6	Treat	Staff should pick a safe parking spot for Israh and before opening her door double check the traffic around the car. In the event that Israh starts running away from the car, follow her until she stops (she would stop a few steps after). Hold arms with her and bring her back to the car. Wait until it is safe and she is settled to go inside the shop.	3	All staff	20/11/20
