

Activity Risks / Project Risks / Operational Risks / Corporate Risks

Risk Being Assessed for: **Person** Name: **Faith Cranston**
 Risk Title: **Faith travelling in staff car**

Risk/ Ref No.	Risk Description & Consequences	Risk Probability (L/M/H) 1,2,3,	Risk Impact (L/M/H) 1,2,3,	Risk Priority Red if >6+ Amber if 3,4 Green if 1,2	Risk Indicator Type : <i>Tolerate, Treat, Transfer, Terminate</i>	Mitigation Action	Risk Priority After Mitigation Red if >6+ Amber if 3,4 Green if 1,2	Owner	Next Review Date
1	Faith <u>pulling the hair</u> of person sitting in front of her in the car. This could cause injury (loss of scalp, loss of hair), alarm and discomfort.	2	3	6	Treat	(1) Faith will always travel in the back of the vehicle and be seated behind passenger seat.(2) Staff will ensure that Faith fits the "belt buddies" to the seatbelt clip-holder. (3) One staff member to sit beside Faith to keep her company and ensure driver and Faith's safety. (4) Staff to take "As and when required" medication for Faith and book this out and in, on the relevant medication sheet.	2	All Staff	04/12/20
2	Faith <u>striking the head or body</u> of the driver. This could cause soft tissue injury, alarm and discomfort.	2	3	6	Treat	(1) Faith will always travel in the back of the vehicle and be seated behind passenger seat.(2) Staff will ensure that Faith fits the "belt buddies" to the seatbelt clip-holder. (3) One staff member to sit beside Faith to keep her company and ensure driver and Faith's safety. (4) Staff to take "As and when required" medication for Faith and book this out and in, on the relevant medication sheet.	2	All Staff	04/12/20
3	Faith <u>becoming anxious, distressed or unsettled</u> , whilst out in the staff vehicle. This overall state, has lead in the past to Faith removing her clothing (which is an anti-social act). FC has also urinated in the vehicle in the past. If Faith did this, it would leave her body wet, which would be a risk to the integrity and hygiene of Faith's skin.	2	1	2	Treat	(1) Before Faith goes out in the Vehicle, Staff need to utilise Faith's Visual Board. This will help Faith to understand what the endpoint or outcome will be, and the timeline. Staff should do the same for when FC is due to return to her home. (2) Staff to ensure that they take a spare set of clothes for Faith, for going out. (3) If Faith has a "timetable" this can help Staff to remind Faith of the Activity info, together with the Visual board. (4) Staff to take "As and when required" medication for Faith and book this out and in, on the relevant medication sheet.	2	All Staff	04/12/20
