1	Liam can become fixated on things, and stop at nothing to get to it. Due to his size and determination, it can be difficult to stop him. This is particularly concerning when it comes to traffic, as he has a keen interest in modes of transport. Liam can run towards a busy road with no sense of danger. Crossing roads can cause difficulty. Risk of Liam being hit by on coming traffic.	<b>3</b>	<b>3</b>	<b>9</b>	Treat	1. Liam should go for walks with staff in a quiet, secluded area, away from busy roads. 2. Where roads are present or cars near busy roads:encourage Liam to get on and off car transport calmly and safely. 3. Staff to ensure the car remains at venue and park as close to entrance and exit as possible. 4. Staff should be aware of all exits and entrances. 5. Staff to only open the car door where two staff are readily available, to fully support LF transitioning from car. 6. Staff to use Liam's wheelchair if necessary. 7. Staff to request additional support from colleagues/managers if required 8. Staff to safely take Liam's hand/arm if he attempts to run on to the road to prevent harm. 9. Staff to contact Liam's mum if any issues arise. 10. Staff to contact Primecare office for update and support as required.	<b>3</b>	All Staff	06/12/20
