1	When running a bath/ using the shower Faith may lack accurate skin perception of the temperature of the water and may scald herself if the water is too hot or develop a shiver if the water is cold.	2	3	6		Staff can provide assistance to Faith by checking the temperature of the water to ensure the water is not at either an extreme of hot or cold. A thermometer can be utilised to obtain an accurate reading of the temperature.	2	All Staff	07/10/20
2	Faith may be anxious about the act of showering or taking a bath.	1	1	1		Staff can provide reassurance to Faith that they will be in the staff room and will help if there are any problems. Staff can use a visual presentation of pictures to aid Faith in understanding the actions for showering and having bath.	1	All Staff	07/10/20
4	Faith may be reluctant to get her hair wet if tied up in a certain fashion. Faith may be verbally aggressive i.e. swearing or may spit at staff.	2	2	4		Staff can reassure Faith that staff can tie up her hair in a similar fashion again following the bath or shower.	1	All Staff	07/10/2020
5	Faith may make false accusations towards staff about what happens in the shower.	1	2	2		Staff should insure that Faith is assisted in the shower by a female staff member. Assisting staff should minimise the time they are in the bathroom and should prompt Faith verbally. If Faith did make an accusation, staff should report it to a senior for investigation.	1	All Staff	07/10/2020
6	Faith may lock the bathroom door while having a shower. Slippery floor in bathroom, risk of slipping on the floor and injuring herself. Staff would be unable to go into bathroom.	2	2	4		Staff to reassure Faith, that nobody will come into the bathroom and the door has to be unlocked in case she needs help. Staff to ensure antislippery mat is being placed on the bathroom floor prior. Staff	1	All Staff	07/10/2020
